Southern Junction

opened its doors in 1985 and has been a staple in the Rockwall area ever since. In 1987, Paul & Sandy Morelan took over the operations and turned SOJO into what it is today.

Full steakhouse and full dance hall, Southern Junction has the greatest steaks in North Texas!

It's your choice at

Southern Junction: you

can cook your own steaks or our experienced chef

can do it for you. If you choose to go your own

way, you'll select your cut, season it, and cook it on the long, hickory-fired communal grill.

Southern Junction is also a showplace for live country music with bands Wednesday through Saturday, while guests make use of the 2,000 square foot dance floor or ride the mechanical bull.

The SOJO stage has been a mainstay for legendary musicians, like Merle Haggard, Robert Earl Keen, Ray Price, Randy Travis, and Garth Brooks. Newer artists like The Randy Rogers Band, Stoney Larue, The Josh Abbott Band, and Wade Bowen also make regular stops at Southern Junction.

We work hard to make Southern Junction a place you can bring your family out for a great meal, then send the kids home and dance the night away!
